RENT A MASTER GARDENER

WOULD YOU LIKE SOME HELP
WITH YOUR LAWN OR GARDEN?
THIS PROGRAM IS FOR YOU!

For a \$65 fee a team of Master Gardeners will visit
your home and spend an hour with you.

We will answer your questions and also examine the
lawn and garden for problems that you may not be
aware of.

After the visit you will receive a written report
detailing our findings and offering suggestions on
how to improve your landscape.

Proceeds help support our local student
scholarship program.

For more information or to sign up, call
our office at (803) 508-7739. Or fill out the
form on our website at
